

PUSH YOUR LIMITS EXPAND YOUR HORIZONS

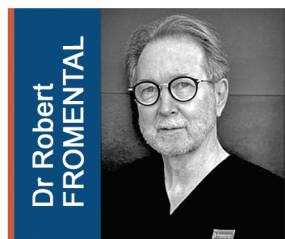

ESPACE 14 has established a partnership with KCF-ACCA LEARNING, a specialist in dental training.

Founded by two expert practitioners in implantology, Dr. Elias Khoury and Dr. Robert Fromental, KCF-ACCA LEARNING has brought together a team of high-level instructors to enhance your professional development.

KCF-ACCA LEARNING it's :

- › Theoretical and practical training courses for beginner practitioners
- › Tailored clinical coaching (from beginner to specialist)
- › Short courses, 1 to 3 days, on various topics with or without certification: Sinus Lift / Guided Bone Regeneration / Laser / Zirconia Implantology...
- › One-week clinical coaching programs in an international faculty (FACOP - Brésil)
- › Interactive AI-based training courses
